

Are You Using Bed Tracker?

[Bed Tracker](#) is a quick and convenient way of sharing your vacancies with Norfolk County Council and the NHS. It is free to use, all you need is your CQC location ID and one minute to fill in our online form, and the information you submit is invaluable.

A large proportion of providers in Norfolk, Waveney and the surrounding area are already using Bed Tracker to notify us of their vacancies with the click of a button. We encourage all care and nursing homes to submit weekly vacancy updates to help us work on your behalf and ensure information about your services are in the hands of people when they need to make important care choices.

Diabetes Awareness week 10-16 June 2019

This is an annual UK-wide event set up by the charity [Diabetes UK](http://DiabetesUK) with the week devoted to raising awareness of diabetes and raising money to help fund research into the condition. The theme for this year is yet to be announced. Lots of activities and events will be taking place across the UK and we would encourage all health and social care providers to get involved.

On the first day of this national campaign, DUET diabetes is running two workshops in Dereham:

Date: 10 June 2019

Venue: St Nicholas House Care Home, Littlefields, Dereham NR19 1BG

Cost: Diabetic Foot Screening (including competency assessment) £50 per person, Diabetes & Healthy Eating £32

Time: Diabetic Foot Screening 9.30am – 1pm, Diabetes & Healthy Eating 2.30pm-4.30pm

Information regarding the content of the DUET diabetes workshops can be found at <https://www.duetdiabetes.co.uk/workshops>

Or contact: info@duetdiabetes.co.uk 01799 584178

Workshops can also be delivered in house at your place of work for up to 12 people, please contact DUET diabetes for prices

Sponsored by

Insulin Safety Week (ISW) 20-26 May 2019

The organisers of this national campaign are keen to reach out to care providers looking after people who require insulin. After a very successful inaugural year in 2018, we would encourage care homes to get involved by registering and take part to raise awareness amongst colleagues, families and patients/residents/service users. Like hospitals and GP practices, care homes can run events and activities to improve understanding and reduce insulin errors. Organisations who register will receive various resources (both on-line and printed items) to support their events, as well as balloons and t-shirts to help promote their actions. #THINKINSULIN
