

Nominations are open for The Norfolk Care Awards 2020

The Norfolk Care Awards team are pleased to announce nominations for the 7th Norfolk Care Awards are now open and will close at 12 noon on the 15th November 2019.

Claire Gilbert and Tracy Wharvell from the Norfolk Care Awards team, says:

'It is incredible to think this is our seventh year of putting on this event, which raises the profile of working in care and supporting people to live their lives. We are humbled and impressed each year when we visit services – there is some great practice in Norfolk. This event enables us to 'give back', to the care sector, which we are both incredibly proud to be associated with, allowing us to say a big 'Thank You' to all the unsung heroes.

This event could not take place without the support of organisations who understand the importance of the work undertaken in social care. We are delighted Gordon Barber Funeral Homes, UEA, City College Norwich, Athena Care, Libby Ferris Flowers, Birketts, Grant Thornton UK LLP, Norfolk County Council, STP, Food Care Systems, Ashton Legal, Organ Donations and Boots recognises the care sector's fantastic workforce by supporting this event.

Norfolk County Council is delighted to support the Norfolk Care Awards once again. We want to celebrate the excellent work carried out every day by Norfolk's

carers and care providers. It is important to acknowledge the expertise and commitment of carers, and we are proud to be sponsoring two awards: the Team Award and the Harold Bodmer Award. We have introduced a special bursary, of £1000, for the award winner of the categories we are sponsoring, which is for the further education and training for the award winners and their organisation.

The Norfolk Care Awards will take place at Sprowston Manor on 20th February 2020, and will be 'streamed live', to ensure everyone across Norfolk can celebrate with you.

FREE DEMENTIA TRAINING WORKSHOPS

For family carers and those who come into contact with people with dementia through

The training workshop consists of one 2 hour session covering:

1. Alzheimer's Disease & Other Dementia's – gives participants a good basic understanding of the condition, its symptoms and impact on behaviour.
2. Capturing Life's Journey – introduces the benefits of recording information about the life of the person and shows how this can be used to provide high quality care.
3. Techniques to Manage Behaviours – demonstrates how some understanding together with a number of simple techniques can have a very positive impact on the individual and carer alike.
4. Activities to Encourage Engagement – provides understanding, ideas and techniques to help the carer engage the person with dementia.

The workshops are run from the Home Instead Senior Care training suite in Norwich and are free of charge. Places are limited to provide a friendly, comfortable and welcoming environment. Alternatively we can come out to your organisation to run a session. Workshops are being run on the following dates:

Tuesday 10th September at 14:00

Thursday 3rd October at 14:00

Thursday 14th November at 10:00

Hypo Awareness Week 2019

September 30 to October 6

This project has been funded by Sanofi who have had no input into any arrangements or content.

A message from Oliver Jelley who organises this national campaign:

We're busy preparing for Hypo Awareness Week 2019. The annual campaign to raise awareness of hypoglycaemia in the UK and Ireland by educating healthcare professionals will take place between September 30 and October 6.

The Hypo Awareness Week Excellence Award will be part of the QIC Diabetes awards programme, with the winner due to be announced at the awards ceremony which takes place on Thursday, October 17.

Again, the core of the campaign will focus on secondary care but we will also be looking to work with primary care and care provider colleagues to widen the campaign and get the important message about hypo awareness out into the community.

As in previous years, participating organisations need to register. They will be sent a printed pack* and a link to an electronic pack of materials and encouraged to hold activities and training throughout the week.

If you have not yet registered for Hypo Awareness Week 2019, please follow the instructions below:

Register:

To take part, email oliver.jelley@ojcr.co.uk and provide the following information:

- Lead organiser's name
- Name of trust/organisation
- Number of participating sites
- Address for printed pack*
- Numbers of t-shirts required* (10 per registration site available – if stocks last)
- Telephone number

[*printed packs & t-shirts are limited due to an overwhelming response this year, but access to online resources will be available to assist in increasing knowledge and to support your activities]

This project has been funded by Sanofi who have had no input into any arrangements or content.
