Claire Gilbert and Tracy Wharvell from the Norfolk Care Awards team, says:

'It is incredible to think this is our seventh year of putting on this event, which raises the profile of working in care and supporting people to live their lives. We are humbled and impressed each year when we visit services – there is some great practice in Norfolk. This event enables us to 'give back', to the care sector, which we are both incredibly proud to be associated with, allowing us to say a big 'Thank You' to all the unsung heroes.

This event could not take place without the support of organisations who understand the importance of the work undertaken in social care. We are delighted Gordon Barber Funeral Homes, UEA, City College Norwich, Athena Care, Libby Ferris Flowers, Birketts, Grant Thornton UK LLP, Norfolk County Council, STP, Food Care

Systems, Ashton Legal, Organ Donations and Boots recognises the care sector's fantastic workforce by supporting this event.

Norfolk County Council is delighted to support the Norfolk Care Awards once again. We want to celebrate the excellent work carried out every day by Norfolk's carers and care providers. It is important to acknowledge the expertise and commitment of carers, and we are proud to be sponsoring two awards: the Team Award and the Harold Bodmer Award. We have introduced a special bursary, of £1000, for the award winner of the categories we are sponsoring, which is for the further education and training for the award winners and their organisation.

The Norfolk Care Awards will take place at Sprowston Manor on 20th February 2020, and will be 'streamed live', to ensure everyone across Norfolk can celebrate with you.

30 October 2019

Dear colleagues,

As you will have seen, the UK and the EU have agreed an extension of the Article 50 period to 31 January 2020. This means that the UK will not leave the EU on 31 October 2019. As a result, we are now making the necessary changes to stop our no deal plans coming into force on 31 October.

The Government and EU Council have agreed a Withdrawal Agreement and Political Declaration. If the Withdrawal Agreement is ratified by both the UK and European Parliaments, the UK will leave with a deal. If ratification has not happened by 31 January 2020 the legal default is that the UK will leave the EU without a deal. The new date will require further thought about the approach to no deal preparations, and we will provide additional information about what happens next as soon as possible, including decisions on resourcing. In the meantime, our published guidance on [no deal planning](#) remains in force.

We will continue to work closely with our partners and stakeholders, including the Ministry of Housing, Communities and Local Government, the Local Government Association, the Care Provider Alliance, and the Association of Directors of Adult Social Services, to review the position carefully before sharing further guidance at the earliest opportunity.

I am extremely grateful for your excellent engagement over the past months. We will provide additional information about next steps as soon as possible, once we have considered all the implications of the extension.

Yours sincerely,
