FREE DEMENTIA TRAINING WORKSHOPS

For family carers and those who come into contact with people with dementia through their work

The training workshop consists of one 2 hour session covering:

- 1. Alzheimer's Disease & Other Dementia's – gives participants a good basic understanding of the condition, its symptoms and impact on behaviour.**
- 2. Capturing Life's Journey – introduces the benefits of recording information about the life of the person and shows how this can be used to provide high quality care.**
- 3. Techniques to Manage Behaviours – demonstrates how some understanding together with a number of simple techniques can have a very positive impact on the individual and carer alike.**
- 4. Activities to Encourage Engagement – provides understanding, ideas and techniques to help the carer engage the person with dementia.**

The workshops are run from the Home Instead Senior Care training suite in Norwich and are free of charge. Places are limited to provide a friendly, comfortable and welcoming environment. Alternatively we can come out to your organisation to run a session. Workshops are being run on the following dates:

Wednesday 17th April at 14:00

Wednesday 22nd May at 10:00

Tuesday 2nd July at 14:00

Insulin Safety Week (ISW) 20-26 May 2019

The organisers of this national campaign are keen to reach out to care providers looking after people who require insulin. After a very successful inaugural year in 2018, we would encourage care homes to get involved by registering and take part to raise awareness amongst colleagues, families and patients/residents/service users. Like hospitals and GP practices, care homes can run events and activities to improve understanding and reduce insulin errors. Organisations who register will receive various resources (both on-line and printed items) to support their events, as well as balloons and t-shirts to help promote their actions. #THINKINSULIN
