Following the ARMC Open Forum last week where the Cost of Care for WAA was discussed, it was stressed how important it is for Providers to complete the questionnaire sent by NCC. Please see below.

Cost of Care for Working Age Adults – Questionnaire for Care Providers – Completion date extended

Dear Provider,

You may have already received an email from Norfolk County Council asking you to complete a questionnaire. ARMC have secured an extension for the deadline for completion and urge everyone to give their feedback via the questionnaire. This is very important and will impact on the final outcome for you as a Provider.

Please see below from Norfolk County Council.

Dear Care Provider,

If your organisation provides care for **working age adults with learning disabilities, physical disabilities and/or mental health issues** we would like to hear from you.

As you may know, we have been working on a project to determine the cost of care for working age adults with learning disabilities, physical disabilities and mental health issues.

In meetings with care providers and operational social work colleagues to take this work forward, we developed new banding descriptors for the cost of care for working age adults.

We are now asking for your input; please look at the draft descriptors and then complete a short questionnaire which can be accessed by following the link below under the heading **June 2018 – Care banding descriptors for care and nursing homes.**

The deadline for responses is Friday 27th July.

If you have any queries, please don't hesitate to contact us.

Neighbourhood meeting at Marlpit Community Centre on Wednesday 8th August 2018

Norwich Older People's Forum are holding their next neighbourhood meeting with Age UK Norwich on **Wednesday 8th August between 10.30am and 1.00pm at Marlpit Community Centre, Hellesdon Road, Norwich, NR6 5EG** which is close to the junction of Hellesdon Road with Marlpit Lane.

As always, everyone is most welcome, but Norwich Older People's Forum is particularly keen for older people living in the Marlpit area to attend. As usual there will be fun activities to try out, useful information for older people and a light lunch at the end. There will also be a slipper swap, so bring your old pair along to swap for a new pair.

There is parking at the centre or to get there by bus you will need First Bus numbers 23, 23A, 24 and 24A on the Red Line, all of which travel along Dereham Road. The closest bus stop is by the traffic lights at the Larkman Lane / Marlpit Lane junction. You will then need to walk down Marlpit Lane and turn right into Hellesdon Road just before the bridge. Marlpit Community Centre is on the left. It may be possible to arrange transport to this event. Please call Charlotte at Age UK Norwich on 01603 496330 for details.

You do not need to book a place or let anyone know you will be attending, just turn up if you can and do please let your friends and neighbours know about the meeting, or even better, come along and bring one of them along with you.
